

Dear friends,

We send you greetings with these words from
a poem by Mary Baker Eddy:

Who loves not June
Is out of tune
With love and God.

Misc. Writings Page 395: 2-4

The roses are blooming all around the
Bodenseeheim despite the bustle of all the
building going on. However, the noise as
typically generated by a building site has
not disturb the atmosphere of our beloved
Bodenseeheim.

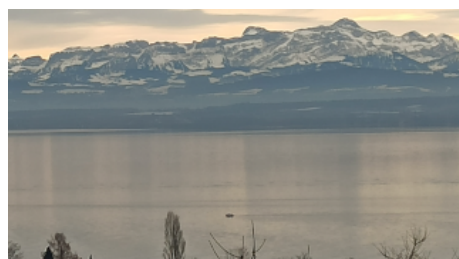

Our guests can take in and enjoy the peace
and quiet and the unobstructed view of the lake
and the Alps.

The Board of Directors, the Home
Management and staff are all very grateful for
the harmonious progress on the building front
and are filled with that wonderful thrill of
anticipation as completion approaches.

This is going to be the seminar room/library.
It will be called *Säntisblick*. The large panorama
window frames the Säntis, the most prominent
profile of the Alps surrounding Lake Constance.

Dear readers of this newsletter, do come and visit us. You will be amazed by Lake Constance and its many facets and possibilities such as the nearby island of Mainau, the various waterfront promenades and idyllic secluded lakeside paths

Enjoy the enchantment of a lakeside theatre performance at Bregenz, which is directly accessible by boat. There is so much more to see and do! Our Manageress will be happy to assist and supply information for you to be able to partake of the wide range of possibilities.

Our program of seminars for the 2nd half of 2022 gives you the opportunity to exchange ideas with like-minded people, seekers and researchers of Truth who meet at the *Bodenseeheim* and part as friends.

One guest expressed it this way:

Have I landed in paradise?

I was picked up from the bus late in the evening by a dear person and then shown all around the house.

There was so much to admire. We progressed only slowly, so fascinated was I by all the beautiful paintings on the walls – it was just like an art exhibition!

In addition, the rooms were tastefully decorated and well lit. A feel-good place.

Finally, I came to my very cozy room. I slept like I was in Abraham's lap. During the day I enjoyed the view. Was I by the seaside? All I could see were these wide-open spaces, nothing but broad vistas, vineyards with footpaths in between, pervaded by a deep serenity And - the panoramic footpath takes you down the hill to Meersburg! So beautiful, unexpectedly beautiful!

And another surprise. The artist who painted most of the pictures was also cook. The food tasted wonderful and especially the desserts were clearly decorated by an artist's hand.

Barbara greeted me with much warmth; she is the heart and soul of this house Her cheerful and outgoing nature created an atmosphere in which we all felt perfectly at home.

The Bodenseeheim is a real discovery.

Our *Lärchenhaus* is currently rented long term. However, dear guests, we are happy to offer you two semi-detached houses *Am Rebgarten* with the same, if not even more beautiful, view from the balcony.

The renovation of the main building is scheduled to begin in autumn this year. We will keep you informed of the progress.

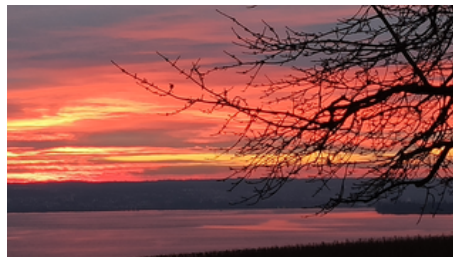

The landscaping, paths and accesses need to be constructed for comfortable access so

that everyone can enjoy the entire garden, the landscaped viewing- and living areas as well as the new seminar/library to its full extent. This remains a challenge that still needs to be overcome.

We are very grateful for your support.

We wish you all a wonderful summer and hope to see you soon.

Sincerely, The *Bodenseeheim*

Program change

Daniela Manger's workshop has been moved to Friday September 30 - Monday October 3. 2022.

Please visit our website bodenseeheim.de/programm for more information.
